

**Statewide projects funded from FY 2000-FY2002 in Oregon and California which  
benefit the Klamath River basin**

Project ID	Project Name	State	River Basin	Project Lead, Subgrantee	Start/End Dates	PCSRF Objective	Project Description	Fed Fiscal Year	Federal Funds	State Funds
CDFG- P0010501	Fish Passage Workshops	CA	Various	PSMFC/For the Sake of the Salmon	06/01/01 - 3/31/2003	V. Outreach & Education, Private Sector Technical Training	Train up to 450 people coast wide to be proficient in CDFG's newly adopted fish passage protocols. (Completed 04/16/02 - Five, three day, fish passage workshops were completed.)	2000	\$93,734	
CDFG- P0110309	Five Counties Salmon Conservation Program	CA	Various	Trinity County Planning Dept., Natural Resources Division	06/01/02 - 3/30/2004	II. Salmon Planning & Assessments - Watershed Organization Support	Support the efforts of the Five Counties Salmon Conservation Program Projects and planning to conserve and restore federally listed salmonid species, appurtenant habitats and water quality.	2001	\$314,695	
CDFG- P0110518	2003 Salmonid Restoration Conference	CA	N/A	Salmonid Restoration Federation	06/01/02 - 3/15/2004	V. Outreach & Education, Private Sector Technical Training	Improve the technical skills of salmon, steelhead and trout fisheries restoration practitioners and contractors.	2001	\$7,500	
CDFG- P0010324	2002 Salmonid Restoration Conference	CA	N/A	Salmonid Restoration Federation	05/01/01 - 5/30/2003	V. Outreach & Education, Private Sector Technical Training	Improve the technical skills of salmon, steelhead and trout fisheries restoration practitioners and contractors.	2000		\$5,000
CDFG- P0010373	Hab. Restor. Fld. School Course: Salmon & SH Friendly County Road Construction & Maint. Practices	CA	N/A	Salmonid Restoration Federation	06/01/01 - 6/1/2002	V. Outreach & Education, Private Sector Technical Training	Reduce sediment delivery from unimproved county and private roads to streams. Reduce impact of county and private road management and culvert replacement activities on availability and distribution of large woody debris.	2000		\$32,226
OWEB 200- 201	OR Dairy Farmers Assoc. Manure Mang Project	OR	Statewide	Oregon Dairy Farmers Assn.	03/07/2001 - 09/30/2002	V. Outreach & Education	This project enables the Oregon Dairy Farmers Association to employ two water quality technicians that work directly with dairy producers. They assist producers in writing water quality management plans. These plans look at things such as soil sampling, manure application rates, documentation of manure application and crop rotation. This process results in higher water quality level for the state of Oregon.	2000	\$143,100

Project ID	Project Name	State	River Basin	Project Lead, Subgrantee	Start/End Dates	PCSRF Objective	Project Description	Fed Fiscal Year	Federal Funds	State Funds
OWEB 200-202	WEST Program	OR	Statewide	Oregon Cattlemen's Assoc	01/03/2002 - 12/31/2002	V. Outreach & Education	The main objective of the WEST program is to enhance the opportunity for farmers and ranchers to discover all the options available for positive environmental impact to their land. The secondary objective will be to share the experience of being a caretaker of the land with high school students. The project proposes to provide educational workshops free of charge across Oregon. The workshops will include instruction on watershed ecology and water quality/riparian vegetation	2000	\$10,000	
OWEB 99-618	Fencing Stockpile/Oregon Riparian Habitat Restoration	OR	Statewide	Oregon Wildlife Heritage Foundation	06/23/2000 - 12/31/2002	I. Salmon Habitat Restoration	Purchase riparian fencing materials to stockpile at ODFW district offices. Administer program to use fencing materials to negotiate riparian fencing agreements with landowners along streams. The sites will be selected using the Oregon AHREG.	2000		\$357,000
OWEB 99-623	Voluntary Conservation Workshops	OR	Statewide	OACD	06/23/2000 - 03/31/2002	V. Outreach & Education	Produce 25 statewide conservation workshops within critical salmon habitat areas to inform landowners about conservation planning and practices. The workshops will allow agency staff and conservationists to more efficiently use their limited time	2000	\$79,960	
OWEB 99-629	Interagency-ODFW Fish Passage	OR	Statewide	ODFW	01/01/2000 - 06/30/2003	I. Salmon Habitat Restoration	Fish screening and passage project.	2000		\$4,000,000
OWEB 97-716A	Healthy Streams Partnership Support	OR	Statewide	Various Vendors	06/01/2000 - 06/30/2003	V. Outreach & Education	Support for the Healthy Streams Partnership Program.	2000	\$4,058	
OWEB 200-204	Wetland Reserve Program	OR	Statewide	USDA-NRCS	04/17/2001 - 06/30/2002	II. Salmon Planning & Assessments - Technical Assistance	Wetlands Reserve Program (WRP) easement acquisition staffing.	2001		\$36,500
OWEB 201-398	The Business of Conservation/BUILDING Conservation Dist Capa	OR	Statewide	OACD	11/03/2001 - 09/30/2003	II. Salmon Planning & Assessments - Technical Assistance	The purpose of this project is to increase the capacity of soil and water conservation districts to plan for implementation of the Oregon Plan for Salmon and Watersheds, SB1010, and other priorities by increasing their administrative, programmatic, and technical abilities.	2001	\$111,196	
OWEB 201-399	Resource Assistance for Rural Environments	OR	Statewide	University of Oregon	05/28/2002 - 09/30/2003	V. Outreach & Education	This program proposes to place eight to ten technical assistants in watersheds across Oregon from October 2001 through September 2002.	2001	\$81,308	

**Statewide projects funded from FY 2000-FY2002 in Oregon and California which  
benefit the Klamath River basin**

Project ID	Project Name	State	River Basin	Project Lead, Subgrantee	Start/End Dates	PCSRF Objective	Project Description	Fed Fiscal Year	Federal Funds	State Funds
OWEB 201-401	Watershed Stewardship Education Program	OR	Statewide	OSU Extension Salem	11/19/2001 - 06/30/2003	V. Outreach & Education	This program proposes to offer workshops in select locations around the state during the next two years. The program consists of a series of eight workshops and a Master Watershed Steward program offered at each location.	2001	\$152,812	
OWEB 201-723	Manure Management Project	OR	Statewide	Oregon Dairy Farmers Assn	08/21/2002 - 07/31/2003	V. Outreach & Education	The proposed project continues support for two water quality technicians that work directly with dairy producers to develop manure management plans, calibrate manure application equipment, and assist producers with soil sampling and proper application rates. OWEB funds would support personnel costs (72%), travel, soil sampling, office expenses, and education workshops.	2001	\$37,000	
OWEB 201-724	Voluntary Conservation Workshops	OR	Statewide	OACD	08/22/2002 - 08/31/2003	V. Outreach & Education	Voluntary Conservation Workshops are designed to educate rural producers and small acreage landowners on conservation management practices in the context of a healthy watershed. This project would continue a series of already developed workshops and would implement 50 workshops over two years. OWEB funds would be used for personnel costs (40%), direct mail and publicity (30%), travel (14%), and workshop materials.	2001	\$90,000	
OWEB 201-734	ODA-Support SWCD's	OR	Statewide	Oregon Dept of Agriculture	05/13/2002 - 06/30/2003	II. Salmon Planning & Assessments - Watershed Council Support	Support for Soil and Water Conservation Districts	2001	\$1,458,013	
OWEB 201-736	ODA - CREP Program	OR	Statewide	Oregon Dept of Agriculture	05/09/2002 - 11/30/2002	II. Salmon Planning & Assessments - Technical Assistance	CREP analysis funding	2001	\$25,000	
OWEB 201-900	ODA Small Grant Program	OR	Statewide	OR Dept of Agriculture	09/01/2001 - 06/30/2003	I. Salmon Habitat Restoration	Oregon Department of Agriculture small grant program	2001		\$225,000
OWEB 201-904	ODA Landowner workshops	OR	Statewide	OR Dept of Agriculture	09/01/2002 - 06/30/2002	V. Outreach & Education	Funding to Oregon Dept of Agriculture to provide landowner workshops	2001	\$30,000	

**Statewide projects funded from FY 2000-FY2002 in Oregon and California which  
benefit the Klamath River basin**

OWEB 203-109	Oregon Wetlands Reserve Program Partnership	OR	Statewide	Ducks Unlimited Inc	11/06/2002 - 09/30/2003	V. Outreach & Education	Ducks Unlimited proposes to build on a successful partnership initiated in 1999 to address one of the most significant barriers – lack of administrative support – to implementation of the Wetlands Reserve Program in Oregon. OWEB funds will be used to help fund costs of the personnel contract for the WRP support and administration position.	2001	\$16,000	
OWEB 203-110	Conservation District Accounting System & Database	OR	Statewide	OACD	10/30/2002 - 09/30/2005	V. Outreach & Education	The Oregon Association of Conservation Districts will lead the development of a statewide standard, uniform accounting system for all 45 conservation districts and the development of a database on Oregon's conservation districts and OACD. OWEB funds will be used for contracting with the service provider, developing the software program, printing and delivering the step-by-step manual, updating district payrolls, training, travel, and telephone support.	2001	\$53,714	
OWEB 203-904	ODA Position-CREP thru 06-30-03	OR	Statewide	Oregon Dept of Agriculture	10/15/2002 - 06/30/2003	II. Salmon Planning & Assessments - Technical Assistance	Fund CREP position	2001	\$60,000	
OWEB 201-552	ODFW 2001-03 Fish Screening	OR	Statewide	ODFW	02/01/2002 - 06/30/2003	I. Salmon Habitat Restoration	Provide fish screens to priority locations around the state.	2002		\$4,000,000
OWEB 201-905	CREP Grants	OR	Statewide	Various Landowners	01/01/2002 - 06/30/2003	I. Salmon Habitat Restoration	CREP Grants to various landowners	2002		\$800,000
OWEB 203-903	(09-02 OWEB Funds)-Burned Land Emergency Re-seeding	OR	Statewide	OWEB	09/01/2002 - 06/30/2003	I. Salmon Habitat Restoration	Summer 2002 burned lands emergency re-seeding	2002		\$250,000
